### Bills Seeing Action This Week

Please sign-in as indicated on the following bills at public hearings scheduled for the coming week.

You may express support for bills in hearings with the [online process](#). Select House or Senate then the committee and the date and time of the meeting, then follow the menus. Detailed instructions are in this week's Legislative Newsletter. Remember, only authorized members can speak for the League; the Issue Chairs will do that, so please leave the "Organization" box blank. A more powerful influence is many voices speaking for themselves rather than many voices speaking for the League.

### How You Can Be Involved

- During the legislative session we will send Action Alerts in the [Legislative Newsletter](#). Please respond to these, which will direct you to an application to facilitate communicating with your legislators on an important vote in committees or on the chamber floor.
- Local Leagues in Washington have action chairs who coordinate action teams. Some local Leagues have education teams to take action locally. Contact your local League action chair to find out and join.

- You may also express your opinion on legislation with the LWVWA issue chairs. We will take your perspectives under considerations as we determine our support for legislation and prepare testimony. Cynthia Stewart, Growth Management Issue Chair, [cstewart@lwwa.org](mailto:cstewart@lwwa.org)
