### **Bills Needing Action This Week**

Many of the bills we are tracking in this section will move in the week ahead; some will not. We can't determine the status of many as of this publication because hearings are in progress over the weekend.

### **How You Can Be Involved**

- During the legislative session we will send Action Alerts in the [Legislative Newsletter](#). Please respond to these, which will direct you to an application to facilitate communicating with your legislators on an important vote in committees or on the chamber floor.
- Local Leagues in Washington have action chairs who coordinate action teams. Some local Leagues have education teams to take action locally. Contact your local League action chair to find out and join.
- You may also express your opinion on legislation with the LWWVA issue chairs. We will take your perspectives under considerations as we determine our support for legislation and prepare testimony. Cynthia Stewart, Growth Management Issue Chair, [cstewart@lwwwa.org](mailto:cstewart@lwwwa.org)
