[HB 1074](#) Addressing documentation and processes governing landlords' claims for damage to residential premises, increases tenant protection from landlord abuse of damage deposits and claims. This bill would require between 180- and 220-days' notice of rent increases that exceed five percent. Management Act to allow all cities and counties to adopt development regulations that create a simple, low cost, expedited permit process for development of single-family, duplex, triplex, or accessory dwelling housing units with less than 1,801 square feet per unit and requires those jurisdictions who do this to report on units built.
