additional time to provide such documentation. This bill passed as a substitute bill from the House with a vote of 57-40. It has not yet been assigned to a committee in the Senate.

This bill passed the House Housing Committee as a substitute on January 26 and is now in the House Rules Committee.

[HB 1252](#) Concerning impact fee deferrals. This bill amends the chapter of RCW that authorizes impact fees and allows deferrals of fee payments for single family residential development to allow an agreement with the developer to specify when the fee will be paid and specifies conditions that must be met in the agreement.
